This is to certify that **Mr. Vihaan Shah** Student of **Aditya Birla World Academy, Mumbai – 400007** worked with **M/s JBM Auto Limited**. His internship was for a period of **3 Weeks** starting from **24th May 2021 to 12th June 21**. During the internship, he has been assigned various projects relating to our Electric Bus. Throughout the course of his internship with us, he proved to be a sincere and diligent individual with an eagerness to learn and engage in activities that would enhance his understanding of the subject of Electric Vehicle.

JBM Auto ECOLIFE Bus is India's first completely 100% electric and emission-free bus that is distinguished for its modern design and exceptionally quiet in spite of not producing any emissions. The JBM Auto ECOLIFE is designed with guaranteed low operation costs, crafted to 9 metres in length, and is equipped with battery powered green drive technology that ensures hassle free and comfortable commuting for passengers. The bus stands out among other such electronic made around the country for its distinct attractive exterior and interior styling coupled with a series of innovative and cutting edge design solutions.

The ECOLIFE 9m Electric is also equipped with completely flexible solutions and offers the ability to adjust the charging system of the bus to an operator's or city's infrastructure. It fits in perfectly with any urban environment as it traverses narrow streets swiftly and silently, and keeps the air fresh and clean in crowded city centres. The different battery sizes and other customisations offered by JBM Auto enable the bus's range to be tailored to the requirements of virtually any route. This further optimises the purchase and operating cost of the vehicle and the number of people that can be carried.

He learned how to assemble and operate the most complex of engines, and demonstrated immense keenness to learn.

Throughout the tenure of his internship, **Mr. Vihaan Shah** has displayed an exemplary sense of accountability and work ethics. He completed all the tasks assigned to him within the allotted period of time and eagerly volunteered to take on responsibilities. He is a hardworking and committed individual who will be an asset to whichever institution he joins. I wish him all the best for his future endeavours.
